

THE PROVEN LEADER IN PET MOBILITY

# GIVE YOUR BLIND PET BACK THEIR CONFIDENCE

## WALKIN'® BLIND DOG HALO

The Walkin' Blind Dog Halo allows poorly sighted dogs to better navigate their surroundings, building confidence and allowing participation in normal daily activities.

The Halo bumps into furniture, walls and other obstacles before your dog does!

### Perfect for pets with vision loss caused by:

- SARDS
- Cataracts
- Trauma
- Glaucoma
- Diabetes
- Retinal Disease

### Advantages of the Blind Dog Halo:

- Halo is lightweight and flexible
- Builds dogs confidence
- Allows dog to move freely without injury
- Gets blind pets back to enjoying life

### Available in 9 sizes

Measure the girth of your dog's chest right behind his/her front legs all the way around body (widest part of rib cage).

### Dogs under 30 lbs. Measure Girth of:

Size	Neck	Chest
3X Small	9.5"	14" - 16.5"
